

Mentor Harbor Yachting Club did a wonderful job as host to the **2016 Laser Class US National Championships & US Singlehanded Men's and Women's Divisions for Laser, Laser Radial, and Laser 4.7**

Congratulations to the fleet winners, Henry Marshall - Standard, Blaire McCarthy - Laser 4.7, Carrson Pearce - Radial. Click

[HERE](#)

for the results!

The event will be held **July 7-10 at MHYC**, which has direct access to Lake Erie. Registrations are welcome for competitors in Laser, Laser Radial, and Laser 4.7. MHYC has planned an incredible schedule for this prestigious event and we hope it is comfortable for you, your families, and race teams! Save money and [register](#) **by June 30.**

(Fees apply to late registrations). Registration includes all meals, social events, and awards ceremony on Sunday and an Official Regatta t-shirt.

Please see the Notice of Race for details on housing information and make your plans early, as hotel space is limited due to this event being scheduled right before the Republican National Convention in Cleveland.

Mentor Harbor Yachting Club has great facilities with a pool, bar/restaurant which overlooks the race course (collared shirts required), beach access, dockage for transit boaters, and much more!

We look forward to your attendance!
