The Santa Cruz Yacht Club's Corinthian Laser program is a huge success. The club encouraged members to donate old Lasers and—Presto! Instant fleet! Corinthians are members in the 21-35 year age group, who can use these boats, which have been restored with new hardware and lines, for really cheap. The club also invites non-Corinthians and non-members, making these regattas some of the best around.

During the winter, the Corinthian Laser races on the 2nd Sunday of the month and practices on the 4th Sunday. During the summer, there are Laser races on intermittent Friday nights. Check the calendar for specifics.
